

Date

Parents/Guardians of [Student Name]

Address

City, Idaho, Zip

**Congratulations!** Based on your child's high school grade point average and college entrance exam score, [Student Name] has been accepted to the following Idaho public higher education institutions:

**University / Four-Year College**

Idaho State University College of Technology

Lewis-Clark State College

**Technical College**

Eastern Idaho Technical College

**Community Colleges**

North Idaho College

College of Western Idaho

College of Southern Idaho

Your child may also qualify to be admitted to the state's other public universities based on their individual admission requirements. We encourage you to discuss that possibility with their admissions representatives.

Now that your student has been accepted, please visit [NextSteps.Idaho.gov](http://NextSteps.Idaho.gov), where you can learn more about the schools and the degree programs they offer, as well as find contact information for the institutions listed above and other helpful information. Even though your child has already been accepted, an admissions application along with an official high school transcript to the college or university of your child's choice will need to be submitted in order to enroll for classes next fall. Your child will also need to successfully complete high school this school year.

Please help your child choose the best program and school and then find the school's online application at [NextSteps.Idaho.gov](http://NextSteps.Idaho.gov). If the college or university to which your child is applying charges an application fee, the fee will be credited to your child's tuition bill upon arrival on campus in the fall. The application must be completed by February 15<sup>th</sup> in order to take advantage of this opportunity. If your child misses the February 15<sup>th</sup> deadline, an application may be submitted, but admission will no longer be guaranteed.

On behalf of the State of Idaho and the Idaho State Board of Education, we welcome your child to college and look forward to seeing you and your child on one of our campuses.

Sincerely,

Governor C.L. "Butch" Otter

Don Soltman, President, Idaho State Board of Education
